

The **DataBase** and **Software Engineering Society** presents:

# DBaSES LOGO DESIGN CONTEST

Design a logo for our society and get a chance to **win a prize**.

Winning logo will also be **recognized** during the launching of DBaSES and will be **featured** in the HCT website.

What are you waiting for?!

**Be inspired and get started!**

## Guidelines

1. The contest is open to all students of Higher College of Technology.
2. Deadline of submission is on November 30, 2011 (Wednesday).
3. Each participant can **SUBMIT ONE (1)** entry only.
4. The DBaSES (DataBase and Software Engineering Society) must be emphasized in the logo.
5. The maximum number of **COLORS** to be used is at most four (4) different colors.
6. The explanation of the logo must be submitted in not less than 20 words. This explanation must be **ATTACHED** on the logo upon submission.
7. All **ENTRIES** may be submitted in **DIGITAL FORM** (jpg/gif/jpeg file) including the explanation to any student officers or coordinators of DBaSES.
8. The **DESIGN** of the logo must be certified **ORIGINAL** and/or officially submitted by the participant. Any complaints that may arise due to similarities, likeness or comparison of the design, the participant will be responsible to prove it's authenticity.
9. The winning logo for the competition shall be considered as property of DBaSES.
10. DBaSES has the right to use any or all of the design in exhibits/displays and for the publication of any of its information materials such as brochures, leaflets, posters, etc. The name of the participant shall be duly acknowledged. Awarding of the winning entry shall be announced (see upcoming details for more info).
